To all of our generous donors for another great year participating in Amplify Austin 2019! With your help and our hardworking individual fundraisers, we raised 35% more than in 2018. We are ecstatic and incredibly grateful for the overwhelming support from our wonderful community and are beginning to lay the groundwork for many new long-term projects. It is an exciting time in our history and we are grateful for your support and participation!

Our vision is that anyone in Texas afflicted with or affected by neuropathy receives the support and education they need to more effectively handle neuropathy and live to their fullest potential.

Thank you so very much for all of your generous donations for another great year participating in Amplify Austin 2019! We are ecstatic and incredibly grateful for the overwhelming support from our wonderful community and are working hard to be good stewards of the dollars you have invested in us. Thank you for putting your trust in our Board of Directors, staff, and volunteers in pursuit of our mission to empower the neuropathy community.

So, thanks to you and the generous gifts we have received so far in 2019, we have begun to lay the groundwork for many new long-term projects. It is an exciting time in our history and we are grateful for your support and participation!

The results of our recent surveys suggest that we broaden our offerings to include more online education and new ways to connect those unable to meet in person. The Texas Hustlers celebrate following their final game of the 2017 National Senior Games Association, Birmingham, AL. The team finished fifth out of 30 teams in the 65-69 age division. “Over the years, I have met some wonderful and courageous people from around the country,” said Dana (seated far right). “I learned quickly when I first started that my participation, as well as for most of the others, was not really about athletics. It was an instant family and support network which provided the motivation, compassion, and unique friendship which I had been missing while grappling with my pain.
